Events & Accommodation - Art Studio & Gallery

## *Our Story*

*Artrocks is not only a beautiful event & reception venue, with B&B style and family or group accommodation, but also an open Studio Gallery which offers a variety of artistic workshops, courses and programs, set in the picturesque countryside of south-west Victoria...*

*The estate itself is set upon 170 acres of landscaped picturesque undulating river & lakeside property, within the rolling hills of historic Inverleigh, and boasting 300-degree views of the Barrabool Hills, the Otway's and more.*

*Ade Loe and Bronte Payne created Artrocks on their property in Inverleigh, 10 years ago. Countless amounts of time and energy have gone into creating the Estate, which now boasts the reputation of being one of the finest establishments in the Golden Plains & Geelong districts, with an incredible talent for hosting and showcasing weddings.*

*Ade, with her background in teaching and with her vast knowledge of artistic skills, takes great pleasure in offering her expertise to the public. Together with her husband and business partner Bronte, they ensure that at the end of each workshop, retreat or stay, participants always leave with a great sense of achievement and satisfaction, either by having completed their own work of art in unforgettable country surroundings, or simply by having escaped the daily grind of the city to relax and unwind.*

*The estate offers an array of accommodation to suit every need and budget. Stay for the night, weekend, or whole week, in combination with a workshop, event or accommodation only.*

*Artrocks promises the very best in luxury and refinement, with our customers' needs at the heart of everything we do...*
